Dear [rep's name],

I am writing to express opposition to the introduction and potential passage of discriminatory [your state + bills here]. This legislation is thinly veiled transphobia, homophobia, and intolerance to self-expression.

As a [profession/community involvement here], I am concerned that this legislation would deeply harm the mental and physical wellbeing of members of the LGBTQIA+ community, as well as our community's youth who benefit greatly from creativity, expression, and diversity displayed at drag events.

[Bills] will undoubtedly be used to discriminate and even criminalize members of the LGBTQIA+ community and directly infringes on our First Amendment right to creative expression.

[Personal story or emotional plea here]

In the case that [bills] were to make it to your desk I am asking how you intend to vote. I appreciate and anticipate your response.

Sincerely,
